This contract holds the puppy named above until the release date. A \$100 pet/\$200 breeding deposit is required and is non-refundable. If a microchip is requested, the fee will be added to the deposit.

Balance will be due on the release date. Arrangements for seller to keep puppy longer can be made with buyer covering additional expenses, board, and veterinary costs endured in that time frame.

Please contact me with any questions or concerns you may have. I will also provide you with weekly email updates on your puppy's growth.

The Seller reserves the right to cancel this contract, in which case the deposit will be refunded in full
